

Yellowstone Quilt Fest

2017 Block Challenge

“SEASONS IN THE WEST”

Use your imagination and create a block or two showing Seasons in the West. The Season can be Spring, Summer, Fall, or Winter, OR can be other Seasons such as Football season, Hunting & Fishing season, Rodeo season, you name it.

Great prizes will be offered for the winning blocks. Winners will be selected by "viewer's choice" at the Yellowstone Quilt Fest on September 8 & 9 (and also at the Sneak-Peek Preview Party on the evening of September 7). Cash prizes: 1st \$50; 2nd \$30; 3rd \$20.

RULES:

Create a 12 1/2" square block (to finish 12" square) expressing the theme "Seasons in the West". Blocks will not be returned to the maker. They become the property of Yellowstone Quilt Fest and will be used in the next year's raffle quilt helping to finance the show.

Use only good quality 100% cotton fabric. Any technique or combination of techniques can be used. However, please remember the blocks will be sewn to others and quilted. Allow for 1/4" seams all around.

Limit the use of heavy paints, doodads, fusible, beads, and metallic to types and quantities able to withstand pressing, laundering, and quilting. Fusible materials should be stitched down. Please NO photo transfers, as they don't hold up under repeated washing.

Pin a paper label on the back with the maker's name, address, and phone number. Do not put the artist's name on the block itself. Artists will be given credit on the back of the finished quilt.

Deliver your block(s) with your quilt entry on Tuesday, September 5, at the Cody Auditorium from 12:00 to 5:00 pm. Or mail your block(s) to the following address to arrive no later than August 29th.

Mailing address: YQF Block Challenge, 141 Ross Rd., Cody, WY 82414
